

Tesco 'Bags of Help'

For all parents and carers

We have been successful in our grant application for Tesco Bags of Help. This is where shoppers vote for the charity of their choice by allocating a token, given at the till, to one of three charities. At this point we know we will receive at least £1000 but could earn up to £4000, which would pay for further books and the computer lending system for the library. The votes will be running through January and February in the Stow and Moreton Express Tesco stores.

Please help by shopping and collecting tokens and placing them in the Kingham Primary School box. We found last time it helps to go with the children in their uniforms and get them to ask the cashiers for the tokens – they usually then give a handful!
