KPSA update re: Spring Ball and Fundraising Information

For all parents and carers

At the KPSA meeting on Monday the decision was made to cancel the Spring Ball due to lack of ticket sales.

I appreciate as a school / PTA we constantly ask for money and help. Fundraising, along with grants applied for help supplement the school budget adding our extra activities and resources. Over the last 20 months grants applied for have amounted to over £10,000, without this money we would not have a library full of new books, picnic tables with game tops nor the Smooga system in the playground. The school budget would not sustain these developments.

If you are unable to attend events you can still help the finances of the school by giving your time – please let us know if you are able to help in any way.
