Ecclesiastical Insurance Movement for Good Awards

For all parents and carers
Tue 23 Apr

On Tuesday 23 April, the company are launching their Movement for Good awards – a programme designed to give £1million to charities.

We were successful in being awarded a £1000 grant from this company in December and it would be great to be awarded it again to add to the grant above, which will then pay for another area of play lawn.

Please nominate school once it is live:

New School Website

For all parents and carers

You may have noticed that the school has a new web site. This has been entirely designed and developed by parents at no cost to the school. It will not only save the school money but will be far more flexible than the previous service.

The aim is that it should be simple use, providing easy access to essential information, supported by our regular bulletins and newsletters. It will continue to evolve over time with further features and more material.

Meanwhile, if you have any comments, please let us know. You can send suggestions through the contact page.
