Ecclesiastical Insurance Movement for Good Awards *Open Now – Vote for KPS – chance to be awarded £1000*

For all parents and carers

Tuesday 23 April, ecclesiastical Insurance launched their Movement for Good awards – a programme designed to give £1million to charities.

We were successful in being awarded a £1000 grant from this company in December and it would be great to be awarded it again to add to the grant above, which will then pay for another area of play lawn.

The Charity to nominate is Kingham Primary School Association and the charity number is: 1122540. Please share with family and friends and ask politely if they will vote for us.

Play Lawn Installation

For all parents and carers
Tue 7 May

Please be aware that a further section of play lawn will be installed adjacent to the reception classroom on the above date. Please ensure your children do not play in this area during morning drop off as there will be equipment and tools.

Academic year 2119-2020

For all parents and carers

A number of parents have asked which classes teachers are in next year. Please note, whilst the leadership team have started to discuss this, we are not in a position to inform parents until after half term due to the final date for teachers to resign being 31 May. Thank you for your understanding.

Speaking to teachers during morning drop-off

For all parents and carers

Teachers are always available during morning drop-off for quick messages and information. Please be aware if you need a confidential or longer conversation you should make an appointment to see the teacher at another time, doing so ensures the class is able to move into school and register on time and start their lessons promptly. Thank you.
