## Calor Rural Community Fund – PLEASE Vote for Kingham Primary – we could be awarded £5000 – see details below

For all parents and carers

Please vote for KPS – we need 5 minutes of your time:

<https://www.calor.co.uk/shop/communityfund/kingham-primary-school-playground-improvement>

If everyone voted all 10 votes to KPS we could gain over 4000 votes, which would give us a really good chance. We are currently in 20<sup>th</sup> place with 986 votes and the project in 1<sup>st</sup> place is at 2734 votes (this is a school with only 50 pupils!)

The money from this (if successful) will enable us to replace the final area of grass adjacent to the playground to extend the area we are able to use at break and lunchtime during inclement weather.

## Playground Improvement

For all parents and carers

The new play lawn and path have now been completed and the children are loving having another area to use in this wonderful weather – it was lovely to see them this week sitting making use of the expanse of playlawn. We really would love to replace the remainder of our muddy grass around the apple trees – the above community fund and the one below would help with this, so please get voting.

Ecclesiastical Insurance Nominations close today -if you haven't nominated KPSA please do: The Charity to nominate is Kingham Primary School Association and the charity number is: 1122540. Please share with family and friends and ask politely if they will vote for us.

Information from The National Book Tokens website:

Whether you work in a school or have school-aged children yourself, you'll know the importance of a good school library – and not just for learning. Studies show that reading for pleasure doesn't just give children an advantage academically; it can improve their wellbeing too.

Nominate a school to win, and if your entry is picked, not only will school be able to refresh their library for generations of children to come with our massive **£5,000 National Book Tokens prize**, you'll also take home **£100 of National Book Tokens just for you**. The more nominations school receives, the higher their chances of winning.
