## KPS achieves Gold School Games Mark

For all parents and carers

It is with pleasure that we can announce (on Sports Day – no less) this year KPS has achieved Gold. The School Games Mark is a government led scheme launched in 2012 to reward schools for their commitment to the development of competition across school and into their community. It evaluates PE provision and assists in action planning for future progress.

Schools are assessed on:

- Participation – how many are engaged in sporting activities
- Competition – how many different sports and competitions
- Workforce – how many involved in sport leadership
- Clubs – how many local links with clubs and establishments

We are really pleased with this result, it is due to the hard work of our staff in ensuring great sport happens and which this award duly recognises. So a really big thanks to them.

## Help needed in School - URGENT

For all parents and carers  
Mon 15 Jul to Fri 19 Jul  
9.00am-3.00pm

Staff desperately need help to move equipment and furniture in order that school is ready for the large volume of works taking place from next week and over the entire school holidays. We want this to have as minimal an effect as possible for the pupils so would very much welcome parental assistance to make this happen so that we can remain teaching - as every week in school counts!

The roofing works and window replacement in the old part of the building are planned to take place from Mon 15<sup>th</sup> Jul right through the holidays and as such we need to relocate resources, equipment and furniture from years 3 and 4 and the staffroom.

As the hall is being decorated in the first two weeks of the holidays, we shall also need to move resources from this area of school, also a new library carpet is being fitted in August and we shall need to move the tables and seating plus a small number of non-fitted bookcases.

If you are able to help – even if only for an hour – please let the school office know – any time during the week is fine. Thank you.

## Windows and roofing works - REMINDER

For all parents and carers

Over the next few weeks you will see the start of a number of works happening to improve the school building. The windows to the front elevation of school are being replaced and works will commence on the pitched roof.

As a result, there will be scaffolding erected from Mon 15 Jul starting at the left when viewed from the road. The side entrance to school, through the wooden gate will not be accessible during these works and all pupils should enter and leave the school grounds through the Millennium Gate.

We are all looking forward to the new roof and windows having a positive impact on the classroom environments in years 3 and 4 (and staffroom).

Further works around school are also taking place as the hall will be decorated and new curtains fitted.

## Diary dates - new dates added for autumn term

Sat 13 Jul	KPSA Quiz Night
Tue 16 Jul	Summer concert for years 3 and 4 at 2pm
Tue 16 Jul	Summer concert for Years 5 and 6 at 6pm
Thu 18 Jul	Year 6 production
Fri 19 Jul	End of school year 2pm
Tues 3 Sept	Start of Autumn term 2019
Wed 18 Sep	KPSA AGM
Thu 10 Oct	Photographer in school
Mon 21 Oct	Parents' consultation evening
Wed 23 Oct	Parents' consultation evening
Thurs 24 Oct	School closes for half term 3pm
