

School library update

For all parents and carers

The new library carpet was fitted over the summer holidays and it looks very bright and fresh and matches the new furniture well.

We are pleased to inform you that we have almost completed the cataloguing of the books in our wonderful library and will shortly be able to lend them out to pupils.

If you are able to help as a librarian after school we would be very grateful for your assistance. Please let the office staff know if you wish to volunteer.

Playground at the end of school day

For all parents and carers

Whilst we appreciate that you love to catch up with each other at the end of the school day; we politely request you vacate the grounds promptly after picking up so the after-school clubs and Kidz club are able to fully utilise the space and keep the children they are caring for / working with safe.

Thank you for your understanding and co-operation in this matter.

Windows and roofing works

For all parents and carers

Over the summer holidays the windows to the front aspect of school were replaced, new velux windows fitted in years 3 and 4. The roof work is almost complete, the pitched roof over the old building has been replaced and the flat roof over the music room fixed. The scaffolding may well be removed during this weekend and the remaining works completed by mid-September.

Diary dates

Thu 19 Sep	KPSA AGM 7.30pm
Thu 19 Sept	Reception parents' phonics information
