Teaching assistant and Lunchtime supervisor required

For all parents and carers
Closing date: Mon 10 Feb 5pm

Due to the success of our school nursery class we are seeking to appoint an enthusiastic Early Years Teaching Assistant who will play a positive part in the early education of the children in our Nursery and Reception classes.

We are looking for someone with patience, humour, commitment and flexibility who understands how important first experiences of school are, and the special and supportive role staff play in this. You must be a good communicator with high expectations and a real empathy with children. Experience of working with early years is essential.

We can offer you the opportunity to work with a brilliant group of children who are busy, enthusiastic and committed to learning and play. You will also be working with a friendly and supportive team of professionals in a purpose-built Early Years unit.

We welcome applications from people who wish to be part of a strong Early Years team and welcome visits to the school to see us and the children in action

If interested, please see Mrs Helen Hare our school business manager for further information or see the school website.

Gigaclear works

For all parents and carers

Please note that Gigaclear will soon be starting work on Churchill Road and using the village car park for machinery. Further details to follow once we have the dates concerned.
