GRANDMAS GALORE!

Children's Book Event
Sat 15th Feb 10.30a.m

Join us for a magical children's event with Elka Evalds, author of Granny Magic and Kita Mitchell, author of the Grandma Dangerous series.

The event will begin at 10.30, with a chance to meet the authors and hear them read excerpts from their latest books. This will be followed by a book signing, Grandma drawing competition and plenty of cake! Suitable for 6+.

Please contact the Borzoi for more details.

1 Digheth Court,
Stow on the Wold, GL54 1BN

World Book Day Fundraiser

For all parents and carers
Thu 5 Mar

We are five Year nine students from Chipping Norton Secondary School and partaking in a business enterprise project for Aspire, a local charity that all profits from this challenge will go to. Aspire is a very important charity with a very important cause, helping the homeless and struggling citizens of Oxford and Oxfordshire.

We feel that this charity is very important to the lives of many, as with modern times one in thirty children will grow up to be homeless at one point in their lifetime. It is a very serious problem in today's world, but with your help we can make a difference and potentially save lives.

If you wish to help this cause please send a donation of £1.00 on World Book Day.

Coronavirus Update from Director of Public Health

For all parents and carers

There has been continued increased coverage in the media about the ongoing Coronavirus situation. The access to rolling new channels and social media creates a lot of unconfirmed news, and rumours can be easily circulated. Naturally, whilst this coverage will continue to cause concern, there is still no need for alarm. We continue to recommend that the best source of up to date and reliable information on the ongoing situation and advice is the gov.uk website:

<https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public>

There is no need to make any changes to your normal day to day activity and living. You can also help yourself by taking the usual precautionary measures that would help slow the spread of almost any germs, including Coronavirus:

- Always carry tissues to catch your cough or sneeze
- Bin used tissues as quickly as possible
- Wash your hands often with warm water and soap
