School opening for wider year groups

For all parents and carers

You will have heard this week the announcement from our government regarding the fact that further groups of pupils are unlikely to return to school until September 2020.

We know many of you will be very disappointed with this news, as are we, however we must do all we can to keep everyone safe.

I cannot promise that we will see any other groups this term but we will keep capacity and provision under review and if able we shall do our utmost to widen the years groups in school.

The aim for September is that all primary pupils will return to school – at this stage this is still a hope from both ourselves and the government and we shall know more in due course. It may mean we need to plan for this over the summer break and communicate with you during the holidays about logistics and details – please keep checking your ParentMail emails.

Class zoom meetings

For all parents and carers

From: Mon 15 Jul 2020

I am pleased to announce that we are now starting to introduce class zoom meetings for all year groups – a chance for your child(ren) to have some face to face interaction with their classmates and teachers.

Please read carefully the letter sent regarding the protocols we will be observing.

We hope these will motivate our pupils and help with mental health and wellbeing. We shall continue to review the zoom calls – feedback is always welcome.

Value for term 6

For all parents and carers

As we were in lockdown we chose Creativity for our school value for Term 5 as this was something we could do at home.

For term 6 with many still at home I thought we could cover the value of friendship and try to find ways to value our friends in these different times.

FREE virtual parents online safety workshop

For all parents and carers

Wed 1 July 2020

8.00pm-9.00pm

123ICT is pleased to be able to support our contract schools by offering a **FREE** virtual parents Online Safety workshop. This is open to all parents from all of our contract schools.

Parents should sign up by completing our online registration form at:

<https://bit.ly/123ICTPOS> or <https://forms.gle/VcDTzza2APYK5QdW7>

Joining instructions will be sent directly to parents at the end of June via the email address they use for registration.

The session will cover: The risks of using the internet. Tips and suggestions on how to reduce these risks to keep your children safe online. Signposting to further resources and information. Advice on how to get help if things go wrong. Tips for remote learning and remote video lessons. The chance to ask questions.

Please see ParentMail for further details.
