Meet the teacher meetings

For parents and carers year R to year 5
From: Thu 3 Sept 2020

From feedback last year through the Parent Forum and Parent Questionnaire we know you appreciate the 'meet the teacher' events we arrange at the start of the academic year.

We shall be holding these again in September, but as per the 'new normal' we shall need to hold these via zoom to continue to minimize the risks of the transmission of coronavirus.

Zoom invitations will be sent next term.

Forest School and Outdoor Learning

For all parents and carers
From: September 2020

We are pleased to announce that next academic year all year groups will be taking part in Forest School / Outdoor learning each week.

We have amazing school grounds that we want to utilise to their full advantage. Ms Rose is Forest School trained and she will be working with each class (year 1 to year 6) for ½ day each week to complete Forest School and Outdoor Learning activities.

You will be informed in advance which day this will take place. It is important that the children are appropriately clothed for these sessions as they will take place 'come rain or shine.'

Thank you KPSA for funding resources and equipment to make this happen.

Garden item donations for Early Years

For all parents and carers

Have you painted your fences and shed - leaving half empty tins of paint; hung new trellis on the wall - leaving some spare old trellis; or had a good sort out of the shed/garage and discovered all sorts of useful things? We would love to save you a trip to the tip and take some things off your hands. We are particularly looking for:

- Trellis
- Sleepers/planks of wood
- Pallets
- Tins of external wood paint
- Varnish
- Garden/weed liner
- Anything exciting!

Please see further details on ParentMail from Miss Jenkinson.
