## School lunches Sept 2020

For all parents and carers  
From Wed 2 Sept / Mon 7 Sept

Please note that we shall need to remain in our class groups throughout the school day with no mixing – this means we have the need to alter school lunches and lunch breaks.

Wed 2 September to Fri 4 Sept will be cold lunch service only for year 1 and year 2. From Mon 7 Sept to Fri 24 Sept hot school meals will be available for Universal Free Schools Meals ONLY – this applies to reception, year 1 and year 2.

We regret at this stage we are not able to provide school lunches for nursery or Key stage 2 due to the capacity and the need to clean our school hall between each year group. This will be reviewed after the first two weeks of term and a further communication will be sent at this point.

The menu for September is available on the school website.

## Met the teacher meetings

For parents and carers year R to year 5  
From: Thu 3 Sept 2020

From feedback last year through the Parent Forum and Parent Questionnaire we know you appreciate the 'meet the teacher' events we arrange at the start of the academic year.

We shall be holding these again in September, but as per the 'new normal' we shall need to hold these via zoom to continue to minimize the risks of the transmission of coronavirus. Zoom invitations will be sent next term.

## Pick up and drop off times / places for September

All children are expected to return to school from Wednesday 2 September.

We are staggering the start and end times of the school day to ensure parents are able to continue to socially distance in the school grounds – children will not be expected to line up in their usual class lines but go straight into school once doors are open.

Please ensure you only arrive at school at your designated time to help with social distancing measures. Any late arrivals will still need to come in through the school main entrance.

Lunch time will be shortened by ¼ hour for all pupils to ensure although they are dropped off later / picked up earlier, they have the same amount of teaching time in school.

Visitors to school will continue to be limited and we ask you communicate with school via email.

However, please note this is subject to change and I ask you check your ParentMail before we start back in September for any updates.

Thank you for your understanding and continued support whilst these measures are in place.
