

Bulletin

2020-2021

Number 02

11 Sept 2020

Kingham Primary School

The Green, Kingham, CHIPPING NORTON, OX7 6YD

Thank you everyone

For all parents and carers

Thank you to all parents for your patience and cooperation with the new measures we need to take as a school to keep everyone safe.

It has been wonderful to see the children again.

School lunches Sept 2020 – Hot lunch information

For all parents and carers of reception, years 1 and 2

Hot school meals are available for Universal Free Schools Meals – this applies to reception, year 1 and year 2.

Meals do not need to be ordered in advance – they can be ordered on the day – we would love to see more year 1 and 2 having hot school dinners again.

Classes eat together in the dining hall- one class at a time (school lunch or packed munch) with the tables and surfaces cleaned between classes.

The menu for September is available on the school website.

PE T-shirts / uniform / coats

For parents and carers

Please note that unfortunately the gold Kingham Primary school PE t-shirts are out of stock for some sizes.

If you have been unable to order a PE t-shirt please send your child with a navy or white t-shirt to change into for PE until they are available again.

As it is safer to socially distance outdoors, we shall be continuing with break and lunch outdoors even in inclement weather – please ensure your child has a coat in school at all times.

Visitors to school – face masks

For all parents and carers

Please note that we would still prefer communication with the school office to be via phone call or email.

If it is essential you call into the school office we politely request that you wear a face mask to keep yourselves and the office staff safe.

Pick up at 2.45 / 3.00pm - IMPORTANT

For all parents and carers

We appreciate that a number of you are picking up children at both 2.45pm and 3.00pm and need to wait in the school playground for the later pick up.

Your children need to wait quietly with you from 2.45pm as classes are still in school / on the field or playground / in forest school learning – children playing and running around are disturbing these classes and making it difficult to socially distance upon their return into the school building.

Please vacate the school premises promptly after pick up.

Communication with school - UPDATE

For all parents and carers

From September

Please note that now we are all back in school communication between home and school returns to normal.

Please communicate with the class teacher via your child's diary. **Please do not report illness or COVID related communication in the school diary – diaries are not necessarily checked early in the morning. Please report this information through the school absence line or emailing the office.**

Communication with the office via phone call or email.

Bag2school

For all parents and carers

Wed 7 Oct

9.00am

Bag2school fundraising is again being organised by KPSA. Bag2school reuses and recycles secondhand clothing – bring your bags (use own bags) to school on Wed 7 Oct by 9.00am and leave next to the hall windows.

Please do not bring bags earlier than this date - school has no storage facilities and bags left are a fire hazard.

See the KPSA ParentMail for further information.
