School kitchen hygiene rating

For all parents and carers

We are pleased to announce that our school kitchen has again received a food hygiene rating of 5 (very good) – the highest rating that can be awarded. Well done Cherie and Pauline.

Parents' Evening

For all parents and carers of reception to year 6
Tues 13th oct / Wed 14th Oct

We shall be holding our parents' consultation evenings on the above dates. Due to the pandemic and the need to maintain social distancing the meetings will be held virtually.

ParentMail will shortly be live for you to book your time slot. After which, an email will be sent with a zoom link and further details of the logistics and protocols.

Social distancing in the school grounds

For parents and carers

Please do not forget that social distancing rules still apply as you drop off and pick up your children to and from school.

If you are waiting in the school grounds please ensure you wait 2m away from other families to help prevent transmission of the virus and mixing of groups.

Do not congregate around school gates and entrances and ensure you follow the one-way systems.

Visitors to school – face masks

For all parents and carers

Please note that we would still prefer communication with the school office to be via phone call or email rather than face to face.

If it is essential, when you call into the school office, we politely request that you wear a face mask and use hand sanitiser to keep yourselves and the office staff safe.

As there are areas of school, such as the gates, where it is harder to maintain social distancing for drop off and pick up you may want to consider wearing a face mask to help prevent the transmission of the virus.

Celebration assembly

For parents and carers of year R to year 6

Last week we re-started our regular Friday Celebration assemblies – only difference – we hold them virtually!

It was lovely to see the children in school sitting in their classes and sharing the successes. We are giving out Stars of the Week again for each class and one for a Star of the Week in Forest School.

Communication with school - UPDATED

For all parents and carers
From September

Please note that now we are all back in school communication between home and school returns to normal.

Please communicate with the class teacher via your child's diary. Communication with the office should be by phone call or email and not by person unless an emergency.

Report all illness to the school office whether COVID related or general illness – please specify the nature of the illness.

Please report results of any COVID tests to the office.

If you receive a positive test result over the weekend for a KPS school child please email the head directly:
head.2106@kingham.oxon.sch.uk

All other communication for the head should continue to be through the school office.

Bag2school

For all parents and carers
Wed 7 Oct
9.00am

Bag2school fundraising is again being organised by KPSA. Bag2school reuses and recycles secondhand clothing – bring your bags (use own bags) to school on Wed 7 Oct by 9.00am and leave next to the hall windows.

Please do not bring bags earlier than this date - school has no storage facilities and bags left are a fire hazard.
