

From the Head

Despite the many challenges that have faced us, I am sure you will agree that this has been a productive term. Trips, visits, visitors, assemblies and performances have gone ahead (almost) as normal and our children have enjoyed a full term without bubbles or lockdowns. I am so proud of everything our students have achieved and it has been an absolute delight to see children singing, dancing and performing publicly again, developing their confidence and forming magical, lifelong memories of their time here.

I am also in awe of our Kingham Primary School Association who have organised so many fun and enriching events and activities this term and raised (we think) over £5,000 through Christmas fundraising alone. I would like to thank parents for your ongoing help and support this term. This is a wonderful community and I feel privileged to be a part of it. I wish you all a joy-filled Christmas holiday and a very happy New Year. I look forward to seeing you all in January, after a fun-filled break.
