

## Forthcoming Events

### Beetle Drive

BETLE DRIVE IS BACK! A well-established Kingham favourite. Look forward to a fantastic evening of entertainment for all the family, with all money raised going to enhancing your child's education! The event will be on Wednesday 16<sup>th</sup> February, and we'll hold a non-uniform 'bring a bottle' day on the 11<sup>th</sup> to support the event - more details to follow next week...

### Show the Love (Green Heart Day)

This year we are participating in the Climate Coalition's campaign called Show the Love: throughout February people around the UK display green hearts to show their love and concern for the environment. Wanting to show 'Kingham Primary Cares', we will all be making and displaying green hearts made in a variety of different ways, and we would like everyone to wear something **green** to school, **with our school uniforms**, on Monday 14<sup>th</sup> February 2022 to raise awareness for the environment.

By Hannah Baxter (Head Girl) and Freddie Stevens (Head Boy)

### Book Week

Book Week will be on the week after the half term break. On the Thursday, we'll all be dressing up as our favourite book characters, so start planning yours now!

## Egg Boxes Please

At the end of February, Year 3 will start working with Emma Cox, our 'Artist in Residence', every Tuesday morning. Emma is planning to create a 3D sculpture with our students. In order to make this successful, we need hundreds of egg boxes. Please can we ask you to drop empty egg boxes into the school office, or ask your child to drop them into the Year 3 class for the next few weeks. Thank you.

## Y4, 5 & 6 Family Learning Workshops at Chipping Norton

Chipping Norton School is running some exciting Family Learning Workshops after school on the week beginning 14<sup>th</sup> February. The fun sessions are for parents and children to do together and include: bushcraft, trampolining, art and astronomy. Sessions are for children in Year 4 upwards. [Click on this link for more information and to book your session.](#)

## Value of the Month: Resilience

Resilience:  
 is recovering quickly from setbacks  
 is remaining confident and optimistic  
 is helping others move forward when things go wrong.

## Oven-Ready Science for Half Term

As ever there are lots of exciting family activities planned at Science Oxford this half term:

- Book ahead for indoor-outdoor exploration at the Science Oxford Centre [Family Days](#) (19, 22, 23, 24, 26 Feb).
  - Make a mess with kitchen chemistry at their Saturday Club with [Oven Ready Science](#) (ages 5-9, 19 Feb).
  - Young coders can design ideas to help their local community and the Planet with [Do your :bit](#) challenge at Creative Computing Club (ages 9-12, 22 Feb) and
  - Next-Gen Da Vinci's build a DIY 'Scribblebot' to create robo-masterpieces at [Art Lab](#) (ages 5-9, 23 Feb).
- Families can also visit the Museum of Oxford and see the [Incredible Inventions](#) show (ages 5-7, 21 Feb) for the change-makers of tomorrow.
