

Farewell Ms Davis

This week, we said a sad farewell to Enneke Davis, one of our amazing administrative assistants. Enneke has been meeting and greeting our parents at the front office for nine years and we will really miss her hard-work, enthusiasm and sense of humour. Enneke's relationship with the school goes back almost 15 years to when her own children started in Kingfishers Nursery. We wish Enneke all the best in her new job.

Red Nose Day – Friday 18 March

It's Red Nose Day next Friday! Red noses are on sale every morning while stocks last (£1.50 each).

Next Friday we'll hold some Nose and Spoon races in the playground and we suggest that children bring in a donation of £1 for Comic Relief to help support poor and disadvantaged people.

Science Week

Next week is Science Week, and already teachers are busy planning a range of activities to excite, inspire and engage our pupils. The theme of the week is 'Growth', and we are looking forward to exploring this concept with the children and thinking about how it presents itself in science in a variety of ways. For any children who wish to, we are inviting them to take part in the British Science Week poster competition. Details of what to do can be found here: [Competition Link](#). We ask that all entries are submitted to school by the end of term - Friday 8th April. Good luck, and here's to a scientific week!

Value of the Month: Forgiveness

Forgiveness:
is understanding that everyone makes mistakes
brings peace of mind and frees me from anger

Support for Ukraine - Monday 21st March

The whole child population of Ukraine (7.5 million children) is in great need as the conflict continues to escalate. Student Council encourages our students to play a part in supporting children in Ukraine.

Student Council have agreed that on Monday 21st March, we should show our support by wearing yellow and blue to school and bringing in a donation of *any* amount of money which will go to Unicef. Unicef are helping to provide clean water and food to families in need, as well as delivering lifesaving supplies.

You can wear any yellow or blue items of clothing or a yellow/blue accessory such as a ribbon. We hope you will join in this support to raise money for innocent people caught up in this war. *By Freddie Stephens – Head Boy*

Even More Egg Boxes

Please keep the egg boxes coming in for the next few weeks. Year 3 are devouring them for their art project and need plenty more! Drop your empty egg boxes into the school office or ask your child to drop them into the Year 3 classroom. Thank you.

Diary Dates

w/b 14 Mar	Science Week
Weds 16 Mar	Reception Class at the Story Museum
