

Red Nose Day

Thank you for all your generous contributions. We have raised £260 for Comic Relief this week.

KPSA Easter Events

Easter Bingo

'Eyes down' - it's time for Easter Bingo! This popular family event takes place on Thursday 31st March at 5pm in the school hall, with Miss Jenkinson calling the numbers.

We would love parents to donate an Easter egg (for a prize) if possible. Please drop any Easter egg donations into the school office. A tuck shop with drinks and snacks will also be available at the event! Buy tickets [online here](#), or on the door.

Lucky Number Square

Year 6 will be selling lucky squares in the playground from Monday 21st. The prize is a 1kg Lindt Chocolate Bunny. A winning square will be drawn at the Easter Bingo event.

Family Events at Science Oxford Centre

If your child has been inspired by our Science Week, why not take a look at some of the family events taking place at the Science Oxford Centre in March and April?

Woodland adventurers can investigate the outdoors, or children can make Glow Up Cards and create computer games at Holiday Tech and Game Jam sessions (various ages). Have fun pond-dipping or explore the woodland surrounding their Centre at the new 'Nature Lab', and from April Science Oxford's outdoor Water Lab is back with a splash! Refuel with a coffee, snack or light lunch from the Skogen Café to put a spring in your step!

Science Oxford Centre is also hosting a Sensory-friendly day for Autism Acceptance Week, and a 'roar-some' dino talk with Prof Ben Garrod at the Sheldonian Theatre in early April. [Click on this link to find out more.](#)

Value of the Month: Forgiveness

Forgiveness:
is understanding that everyone makes mistakes
brings peace of mind and frees me from anger

Year 6 at Chipping Norton Music Festival

A group of Kingham Year 6 students put on an exceptional performance of scenes from Shakespeare's *Macbeth* at the Chipping Norton Music Festival earlier this week.

After a stunned audience marvelled at the mature performances of our youngsters, adjudicator Vivienne Redford told our students that she had never seen such a great performance from pupils so young.

Congratulations to Lucy Eyles, Charlie Biddlecombe, Freddie Stevens, Max Lecointe, Sam Jones, Emilia Rollings, Hannah Baxter and Tillie-Rose Pennell, and thank you to their hard-working speech and drama coach, Mrs Harrison.

Support for Ukraine - Monday 21 March

We are holding a 'Support for Ukraine' day this coming Monday 21st March. Student Council encourages our students to wear yellow and blue to school and bring in a donation of *any* amount of money which will go to Unicef. Unicef is helping to provide clean water and food to families in need, as well as delivering life-saving supplies.

You can wear any yellow or blue items of clothing or a yellow/blue accessory such as a ribbon. We hope you will join in this support to raise money for innocent people caught up in this war.
