KPSA Easter Bingo

'Eyes down' - it's time for Easter Bingo! This popular family event takes place on Wednesday 22nd in the school hall, with Miss Jenkinson calling the numbers.

A tuck shop with drinks and snacks will also be available at the event! Buy tickets [online here](#). Please drop any Easter egg donations into the school office.

Industrial Action

With no sign of a breakthrough in the negotiations between the NEU and the Department for Education, it looks certain that there will be two consecutive days of strike action on **Wednesday 15th** and **Thursday 16th March** next week.

Wednesday 15th - the school will remain partially open for pupils in Nursery, Reception, Year 2, Year 3, Year 4, and Year 6. All lessons will run as normal, as will all transport links to and from school. **The school will be closed to pupils in Year 1 and Year 5.**

Thursday 16th - the school will remain partially open for pupils in Nursery, Reception, Year 3, Year 4, and Year 6. All lessons will run as normal, as will all transport links to and from school. **The school will be closed to pupils in Year 1, Year 2 and Year 5.**

Thank you, in anticipation of your on-going support and understanding in this difficult situation.

Red Nose Day – Friday 17 March

It's Red Nose Day next Friday! Red noses are on sale before and after school while stocks last (£2.00 each).

You will be pleased to know that this year's noses are no longer made from single-use plastic, and in fact, as well as being designed by Sir Jony Ive, designer of the iPhone, they are predominantly

made from plant-based materials. The new red noses are a little more fragile than previous proboscises, and we suggest that you look after them and keep them safe until next Friday. On Red Nose Day, please feel free to wear red clothes along with your nose, and you *may* wish to donate £1 of your pocket money to help Comic Relief support disadvantaged people.
