

School Library Re-opens

We are delighted to finally be re-opening our library for students to spend time in and borrow non-fiction books from. We have recruited and trained twenty new and highly-capable student librarians from Years 5 and 6 who will be busy signing back books and organising the library, and who are looking forward to starting next week. We have also ordered many new library books and receive a pot of money every year from the KPSA to keep our library up-to-date.

Thank you to all those families who donated or volunteered towards the library – we apologise for the delay in getting it back up and running.

All the events KPSA organise raise funds and benefit each and every child at school, and this would not be possible without your continued support of their fundraising.

SEND and Mental Health Coffee Morning

We warmly invite parents to our termly Special Educational Needs and Mental Health coffee morning and drop-in session. This is a chance to talk to Miss Jenkinson and also gain a better understanding of the support which can be offered to our children. This will take place on Thursday 23 November at 9am in the school hall (enter via the playground door).

The focus of the session will be 'The Local Offer' where we will explore Oxfordshire's Special Educational Needs and Disabilities strategy.

The session will also provide an opportunity to have coffee and a chat with other families. Open to all parents at school.
