Book Week – Next week

It's Book Week next week, and if you haven't started planning your costume for Thursday's book day, you only have a few days left!

On Monday, we encourage every child from Reception to Year 6 to bring in a favourite book for a whole-school reading session in the afternoon.

Thank you for all the *extreme reading* pictures you have sent – too many unfortunately to include in this bulletin! We have been so impressed with them all and will be judging and awarding prizes next week.

Get Reddy for Red Nose Day – Friday 15 March

Red Nose Day will be with us in two weeks and Student Council members will be selling Red Noses in the playground before school from next Friday. This year, not only do Red Noses help save lives, they are also the funniest bunch yet - each one with a QR code linking to surprise LOLs! There are four fun noses to find and, if you are lucky, you might even find the super-rare 'Golden Hooter', which is plated in 24-carat gold leaf!

On Red Nose Day, we encourage students to wear red clothes, along with your Red Noses, and to donate £1 of your pocket money to help Comic Relief support disadvantaged people. Money raised through Red Nose Day helps to put food on plates and roofs over heads, keep little ones safe and help support families affected by conflict and climate change.

SMART Rules Competition

Digital Leaders are students in Years 4 and 5 who help Mrs Smith organise and manage use of technology in the school, and our newly appointed students have decided to hold a SMART rules poster competition.

These are the SMART rules we follow at Kingham Primary:

- Safe** Don't give out personal information
- Meet** Don't meet up with people you've met online
- Accepting** Don't accept emails, files, pictures from people you do not know
- Reliable** Check information before you believe it
- Tell** Tell an adult if someone or something makes you worried

Posters must include: catchy slogans, the SMART rules, and colourful pictures. The best posters will have clear and simple explanations of the rules and maybe some interesting facts. Posters can be designed using ICT, or by hand.

Digital Leaders are looking forward to judging your entries and hope you have fun making them. Please hand entries in to your class teacher between now and Wednesday 20th March. We hope to see some superb posters and amazing pictures!
