Oxfordshire County U11 Cross Country Champions

Earlier in the year, our U11 boys' cross-country team qualified first for West Oxon finals, and then the County finals. This week, the finals were held at Radley College in Abingdon, and once again our boys, with admirable composure and determination, were triumphant! Kingham U11s were crowned Oxfordshire champions at the end of the event. Well done, boys. And thank you to all the parents who helped get the boys backwards and forwards.

Year 1 Warwick Castle Visit

This week, Year 1 had a trip to Warwick Castle. It was a long bus ride away and when we got there, we had an amazing time.

We went underground beneath the castle and there were lots of statues that scared us. Later we saw a bird show, where a falcon and a snowy owl were flying above our heads and onto a man's glove. We also saw an archer shooting at a target.

The Great Hall was very big and long with lots of armour and statues of horses and knights. There was also a king's bed that was HUGE!

One of our favourite bits was when we went up some dark stairs to the top of the castle where we saw lots of views and people from up high.

The funniest part was when we learned that in the medieval times, people used to wash their clothes in wee!!!

We enjoyed the trip to Warwick Castle so much and then had a long trip back home again when some of us fell asleep!

Easter Egg Hunt

KPSA have organised an Easter egg hunt for all classes in the school grounds on the last day of term. KPSA have sourced all of the eggs, but if parents are able to donate £1 each towards this, this would be greatly appreciated. This can be given to your child's teacher any time between now and the last day of term. Many thanks, Your KPSA

KPSA Easter Bingo Night

Never has so much chocolate been eaten by so few! Thank you to all those who donated prizes and/or attended the KPSA Easter Bingo night.

Litter Bins

Please can we ask parents and children NOT to put the following in our bins:

- Liquids – e.g. coffee cups with coffee in.
- Kebab skewers (we do not want our cleaners being pricked when they empty the bins). Please either do not use skewers or, ask your child to put back in their lunch box.

Thank you for your help!

If your child has done *Bikeability* cycle training, help them to build on their confidence, with some regular rides.

Parents can improve their skills, so they can ride with their children by joining *Rusty Riders* for supported social rides on Friday mornings.

Is your child struggling to learn to ride? Take them along to *Wheels for All*, or book a private lesson.
