Kingham Fun Run – Saturday 18th May

There's still time to register for the Kingham Fun Run on Saturday 18th May.

Teas, coffees, bacon butties and ice creams will be on sale all morning for racers and supporters, so even if you are not racing, we hope you will come and cheer everyone on! [Please use this link to sign up.](#)

Village Car Park

Please make sure that you drive slowly in the Village Car Park. With so many pedestrians around, anything faster than a slow jog is reckless driving!

Reminders

Chipping Norton Family Workshops (Years 4, 5 and 6)

Chipping Norton School is hosting some fun family workshops on the week commencing 20th May. There are three different activities running in the evenings: tennis, music, and creative writing. Sessions are free of charge and provide a good opportunity for children to experience something new in a secondary school setting. [Further details are on this link.](#) Booking deadline - Mon 13 May 8am.

Open Doors

On the final week of this half-term, we are opening classroom doors at 3:20pm for parents to come in and look at some of the work your children have been doing this term at Kingham. The times for each class are in the Diary Dates (on the right). We hope you can pop along and see what we've been up to.

Borzoi Bookshop

Since September 2023, Kingham Primary has been taking part in the **Borzoi School Book Club**. Students in selected classes receive a free shelf of proofs and finished copies to read and review. A selection of the students' reviews are included in our Book Club Newsletter and reviews are shared in the shop and on our website. Each term we choose a 'star reviewer' to receive a £10 book token.

This term Albert is our star reviewer for his lively review of *Bob vs the Selfie Zombies*. We look forward to receiving more reviews this term!

Bob vs the Selfie Zombies by Andy Jones

First you get the tingles, then you get the drags, then 'pop' you're in the future (2nd February 2023 to be exact). Imagine you're walking around your house and all of a sudden you're in the year 2048! Well that's what happened to Bob. Bob likes playing drums in his band but one day he has an argument at his rehearsal. His friend storms off and he follows... only to find himself in the future... with his older self! While the story did seem to jump about in time, it really caught my imagination. The idea of time travel is brilliant!
