

Kingham Fun Run

Thank you to all those who participated in last weekend's Fun Run. The weather was perfect, as were Mr Biedrzycki's bacon butties. Your amazing efforts have raised just over £2,000 which we hope to use towards an all-weather sports pitch in the future. If you haven't yet had a chance to donate or sponsor a runner, there is still time using this link: [Fun Run Donations](#). Thank you to all the helpers and marshals on the day, and especially to Nathalie Glennie for organising such a lovely Saturday morning event.

Welcome Mrs Flynn and Mr Salter

We are pleased to welcome two new members of staff to our school.

Melanie Flynn is working in our Reception class and says "this is so different from the jobs that I've done before: refreshing, exciting and I have really enjoyed getting to know all the children."

Guy Salter, who works in our after-school Kids Club, can usually be found running around with our pupils or trying to beat them at basketball. Guy said that he loves "the caring environment and positivity" in our school.

Village Car Park

We heard of a near miss this morning in the village car park, with a car accelerating too fast. Please be considerate and careful when driving near the school! Thank you.

Book Fair

Thank you to all those who bought books at last week's book fair. £950 of books were sold which means our school receives £450 worth of books for our class book corners!
