Thank you KPSA Volunteers

Last weekend several parents volunteered selling cakes at Chastleton and running a children's stall at the Churchill Car Show. Across the two events we raised £940. Thank you to all those who gave their time and cakes! We are currently getting quotes for an all-weather astoturf multi-sports pitch which we hope to provide using KPSA fundraising.

Year 2 visit to Cotswold Wildlife Park

Last week Year 2 visited the Cotswold Wildlife Park to support our learning on African animals and habitats. It was a brilliant day!

My favourite part of the day was seeing the penguins because if I was a penguin I would jump and slide into the pool whenever I wanted to. (August)

Next, we saw the red pandas happily munching leaves which I was very happy about. They were very cute! (Sadie)

Finally we went to the lemur enclosure. Nervously, I walked inside and saw lots of lemurs. It was terrifying! (Sam)

Charity Jewellery Sale

Well done to Elia, Isla and Year 4 classmates who spent weeks making jewellery and then sold their products this week to raise money for the Rainforest Trust. The girls raised £54 which will go directly towards the conservation of rainforest habitats and protecting wildlife.

Nursery Trip to Science Oxford

On Tuesday, our Nursery children became budding scientists for the day. We travelled to the Oxford Science Centre where children observed, predicted, experimented, and explored science through a variety of hands-on interactive activities. We explored floating, sinking and capacity in the Water Zone and, luckily, we didn't get too wet! We had great fun in the Explore Zone, building electrical circuits, exploring gravity, and making parachutes, but the Scarf Shooter was a firm favourite with both the children and the adults!
