Art Workshops

On Wednesday, pupils in Year 1 to Year 5 were treated to Pop Art sessions with a trio of local artists.

We learned what warm colours and cold colours are and how to create our own masterpiece. We also learned how to blend colours with each other. The best part of the art workshop was painting the traced-out photo of ourselves

and making our background. *By Albert, Year 5*

The art workshops were provided free of charge by Cotswold Arts Through Schools, an organisation, based in Kingham, focused on enhancing the arts in local primary schools through various activities, performances, and exhibitions and upskilling teachers to provide inspiring experiences for children.

Year 3 Strings Performance

This term, every student in Year 3 has been learning the violin or the cello and yesterday treated us to a magnificent orchestral performance. Next year's Year 3 pupils will be given the same opportunity in September, and will be able to keep their instrument to practise on at home while the tuition programme is running.

Thank you to our strings teacher, Mr Bettle, for helping our children become so proficient in such a short time and hopefully igniting a passion for music in many of our children.
