Year 5 Evacuation Experience

On 17th October, Year 5 travelled to Winchcombe Steam Station for a WWII experience day dressed in 1940s style clothing. The whole class were put in the shoes of evacuees for a day which started with a trip on a steam train to Cheltenham and back. Aboard the train, there were numerous actors and activities which resulted in Mr Batty catching a German spy on the platform! Afterwards, we experienced using a fire extinguisher from the time and learnt more about the Blitz. We also heard first-hand stories from people that were actually evacuated during the war. Finally, the class experienced a brilliant workshop where we could investigate items from the time. We were able to dress up in original uniform, play with old toys and looked at rationing of food/clothes. It was a fantastic day and really embedded the knowledge of our topic!
