Acrylic Ink Art Workshops

Local artists, Emma Cox and Abigail Boisot, worked with classes in Year 1 upwards this week teaching our students how to use acrylic inks. The colourful pieces created were exceptional with children enjoying their art and developing their artistic skills. Thank you to Cotswolds Arts Through Schools and Kingham Lodge for providing the inspirational sessions.

Cotswold Arts Through Schools (CATS)

Cotswold Arts Through Schools has supported our school for many years, providing experiences and resources to inspire participation in the Arts. We want to help this Kingham-based charity obtain a £40k grant which will enable this partnership to continue. To release the funding, CATS needs to demonstrate community support by showing a large number of *very small* donations to their charity.

If you feel able to support, please see the information over page, or follow this link: www.cotswoldsartsthroughschools.com

Your support has enabled us to extend our work from 20 schools to over 40 just this year and has impacted over 5,000 local children. Thank you!

We are very grateful for the support that you have already given Cotswolds Arts Through Schools! The impact on our school children is positive and inspiring.

We now have a brilliant new Autumn fundraising opportunity, partnering again with 'SpaceHive' – every pound you donate could be matched by West Oxfordshire District Council, potentially doubling the impact we can have on local children's access to the arts.

We've already raised over £22,000 in this Autumn campaign & would love your help to reach our target so we can unlock up to £40,000 more in matched funds from West Oxfordshire District Council.

Every little really does help. SpaceHive needs us to demonstrate that our supporter base is growing and remains supportive, hence we are writing to you again! Please support us again in any small way you can, the impact we are having is incredible. Feel free to pass this email on to anyone you know!
