Family Learning Workshops for Years 4, 5 and 6

Chipping Norton School is hosting family workshops providing enjoyable learning experiences for you and your child. There are three different activities planned during the week commencing 3rd February including astronomy, table tennis and music. All sessions are free and provide a good opportunity for students to experience something new in a secondary school setting. If you participated last year, the content will be different this year so feel free to sign up again. Further details [can be found here](#) and for further info, contact rbissett@chippingnortonschool.org. Deadline 27th Jan by 8am.

Infant Tricky Word Bookmarks

We are introducing new 'tricky' word bookmarks for Infant students. Each bookmark contains 'tricky' words for your child to learn. These are words which have a tricky element to their spelling pattern meaning they cannot always be sounded out using current knowledge of phonics. Tricky words such as 'the' and 'any' are found commonly making it essential that children learn to read them by sight.

The tricky word bookmarks begin in Phase 2 with Bookmark 1. The bookmarks start at Phase 2 and finish at Phase 5.

Bookmarks will be sent home in the next 7 to 10 days. Please practise reading the bookmark words each time your child reads their home reading book.

Bookmarks are re-useable and will be given to another child once you have finished with them, so please look after them.

If you have any questions, please speak to your child's teacher.
