Dress to Express Day

This week, our children participated in various activities to learn how we can care for our mental health and today students looked spectacular as they dressed up to express their unique personalities.

Zigzag Lines

Parking restrictions outside schools are there to keep our children safe. Please can we remind all our motorists to be kind to each other in the car park and on the roads outside!

- Parking on the pavement forces young children and parents with pushchairs to walk on the road.
- Yellow zigzags mean **no parking at any time** for the safety of children and others. This includes drop-off and collection from before and after-school clubs.
- Avoid parking too close to the crossroads, near the allotments. This makes it hazardous for cars turning into our road from Daylesford or Kingham village and for traffic heading the other way.

• **Slow down** near the school -and especially in the car park. We have more parking spaces around our school than many other schools, but it seems essential to some parents to park within two minutes walk of the school. Please consider parking a little further away, and walking the last few hundred metres to school. If you are a parent or member of staff living in Kingham, please don't drive to school!

Internet Safety Day

It's Internet Safety Day on Tuesday! At Kingham we believe this is an important day which helps to reinforce the skills our young people need to stay safe online.

Internet safety is not an add-on here, but something we talk about everytime we use devices. Next week, classes will be using specially selected texts and stories to explore different cyber safety scenarios.

Value of the Month: Resilience
