Windrush Valley Football and Netball Tournament

What an exciting afternoon for our U11 football and netball teams as they competed for the first time in the annual Windrush Valley tournament at Kingham Hill School. The girls played some awesome netball with some fantastic passing, catching and shooting. Despite not winning all of their matches, the girls showed great determination and there were lots of smiles both on and off the court! A huge thank you to Mrs Baxter for coaching and supporting everyone in all of their matches.

Away from the netball court, the boys' football team played five different teams, winning four games and earning themselves a place in the final. With phenomenal teamwork and outstanding football skills, the final went to penalties against Rendcomb College. It was incredibly intense, as each of the boys had a go at shooting, but sadly we missed one too many to win the tournament! Boys - you were incredible and we are exceptionally proud of you. Thank you, Miss Ralf, for helping to give our students another great sporting memory.

Chipping Norton Family Workshops (Years 4,5,6)

Chipping Norton School is hosting some fun family workshops on the week commencing 19 May. There are three different activities running in the evenings: tennis, drama, and English (Shakespeare). Sessions are free of charge and provide a good opportunity for children to experience something new and exciting in a secondary school setting. [Further details are on this link](#). Booking deadline – Mon 12 May at 8am.

Interhouse Kurling

New Age Kurling (with a 'k') is a form of the original curling game but adapted so that it can be played indoors on any smooth, flat surface, rather than on ice. The tournament takes place on different days (depending on year group – see diary) over the next two weeks. Pupils will need their PE kit, and if they like can bring a t-shirt in their house colour to play in. May the best house win!

Top Ten Times Tables Rockstars (TTRS)

Congratulations to the following students for their hard work on TTRS over the last 7 days – 50 house points each.

Islay	OTTERS	Emme	STAGS
Skyler	OWLS	Rex	STAGS

Book Fair Next Week

Our annual Book Fair opens next week, after school, on Thursday 15 May and will be open after school again on Fri 16, Mon 19 and Tues 20 May.

This year we have 3 for 2 offers on *all* books. Please do come along and help us reach our target of £500 worth of sales as every purchase you make will reward us with vouchers to spend on a range of high-quality texts for Kingham.

At the fair there are two ways to pay for books:

1. **Using your phone** - you will need to enter your contact and card details at this link: [Online book payments](#). It may help to have this filled in online and ready when you get to the fair.
2. You can also **purchase book fair vouchers** in advance and print them out using this link: [pre-purchase book vouchers](#)

All classes will have the opportunity to browse the fair during school hours. If you are unable to visit the Book Fair, you can pay for their chosen books using the above online payment link, and they will be able to bring the book(s) home.

We look forward to seeing you at the book fair next week!

Student Council Teacher/Student Mash-up Day!

Every year, the Kingham Student Council team arranges a fundraiser for our chosen charity for everyone to participate in!

This year, we invite pupils to dress up as teachers on Friday the 23rd of May. But don't worry because the staff have to dress up as all of us too!

We ask you to bring in a minimum £2 donation to go to the charity we are supporting this year: *The Oxford Hospitals Charity*. This supports hospitals all over Oxfordshire. All money raised shall be donated to our charity and we hope that you have lots of fun!

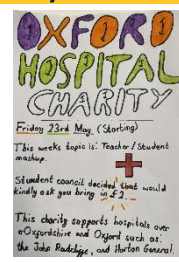

Thank you in advance- by *Florence (secretary)* and *Cecily (chair)*

Chess Club

Chess Club (Wednesdays after school) is looking for new members in Years 3 to 6. We also accept Year 2 students who are familiar with the rules. Please contact the office if you would like to join.

Value of the Month: Simplicity

Simplicity:
is appreciating the small things in life
is natural and beautiful
is relaxing
