Student/Teacher Mash-up

Well done to students and teachers for exchanging outfits in today's 'Mash-up'. We hope you had lots of fun raising over £240 for Oxford Hospitals Charity who help to fund medical equipment, research, training and facilities in our local hospitals.

U11s Athletics Champions

Earlier this week, Kingham students competed in the CNPS Athletics championships. Kingham athletes impressed everyone with their running, jumping and throwing abilities. Kingham won all of their age categories and were crowned champions! Well done all!

Half Term Holiday

We hope you have a lovely half term break and look forward to seeing you back in school **on Tuesday 3 June**.

The Big Summer Sing

A big well done to our KS2 Choir who participated in this year's Big Summer Sing at the Oxford Centre for Music. Students joined with choirs from 5 other Oxfordshire schools to sing classic and contemporary pop songs accompanied by a live band. The audience

thoroughly enjoyed the enthusiastic performance, combining fabulous vocals and musical moves. Well done, Choir, and thank you to Mrs Balloch for organising.

Parish Council Road Safety Competition

As you may be aware, our Student Councillors have been campaigning recently for traffic safety improvements outside our school. Following their campaign, the Parish Council recently added a radar speed sign on the approach to school from Churchill. Students also had a positive response from our Local MP, Sean Woodcock, confirming that the County Highways Team is assessing further improvements outside our school, although he was unable to put a timescale on when this would be done.

In the meantime, there are still two major issues affecting the safety of our children:

1. Motorists speeding outside the school
2. Motorists parking on the pavement (forcing pedestrians onto the road)

To make motorists more aware of these dangers, the Parish Council is holding a competition to design a road safety poster to improve the above issues. The winning poster(s) will be installed around the local roads to encourage motorists to think carefully about their driving. There will, of course, be some small prizes for the winning entries.

The rules:

Choose one or both of the above issues to focus on and design a poster on A4 sized paper.

The winning entries will be eye-catching and capture the issue(s) in a creative (but simple) way

Computers are not to be used for this competition

Entries must be handed to the office by Monday 16 June 9am
