Gardening Club Harvest

This week, our Gardening Club has been busy harvesting our produce: gooseberries, strawberries, broad beans, peas, rhubarb, redcurrants, mint, sage and elderflower heads. Thank you Sally, Linda and Jane for helping our children to connect with nature and enjoy such a valuable experience.

Road Safety Competition – Deadline Monday

The deadline for entries for the poster competition is Monday morning.

The challenge is to design a road safety poster to help reduce cars speeding and parking on the pavement. The winning poster(s) will be installed around the local roads to encourage motorists to think carefully about their driving. There will, of course, be some small prizes for the winners. The winning entries will be eye-catching and capture the issue(s) in a creative (but simple) way. Computers are not to be used for this competition.

Music Recitals

We invite all pupils who receive instrumental tuition, whether in school or privately, at any level or stage of experience, to take part in our upcoming **Infant and Junior Recitals**. These music recitals take place on 9th and 10th July respectively and are a fantastic opportunity for our students to showcase their talent and hard work. Musicians of all abilities (even beginners) are encouraged to perform to our supportive and appreciative audience and enjoy the experience of performing live. If your child would like to take part, please complete the appropriate Form (link below) by **Friday 27 June**.
