Open Doors

Don't forget, next week our classroom doors will be open for parents to come in and see some of the wonderful work our children have been doing at Kingham this term. Class times can be found in the Diary Dates below. We hope you'll be able to join your child and see all they've achieved!.

Our Homemade Soup Brings Smiles to Kingham Lunch Club

A few weeks ago, our Gardening Club harvested lots of delicious vegetables from our school garden including leeks, potatoes, tomatoes and onions. We all worked together to wash, chop and, with Sally's help, cook into a tasty homemade soup!

Yesterday, we took our soup to Kingham Lunch Club, where it was served to the older members of our community. Everyone said it was delicious, and we were really proud that the vegetables we had grown made people smile.

After lunch, we chatted with the lunch club members about our evacuation experience earlier this week as well as the history of the village. We found out that there used to be a factory opposite the village hall where women made ammunitions during the war. It was really nice to see everyone, old and young, spending time together! *By Caspar and Pip, Year 5*

Evacuated! Year 5 Journey Back to the 1940s

On Wednesday, Year 5 went on a trip to Winchcombe Station to experience what it was like to be an evacuee in World War Two. When we arrived, everyone was dressed up like children from the 1940s. Then we boarded a steam train that was powered by coal, water and fire. On the steam train, we sang songs such as 'We'll meet again' and 'White cliffs of Dover.' After we had sung the songs, we had a piece of parachute as evidence that there was a German spy on board and Mr Batty managed to catch him!

Later, when we got off the train, we experienced an air raid in a shelter and tried on uniforms from the time such as ARP wardens' clothing. We learnt so much about wartime Britain and we all loved every second! *By Eloisa and Felix, Year 5*

Parent Workshops

Abingdon & Witney College is offering a series of free and practical parent workshops throughout November and December, designed to support families with primary school-aged children.

These sessions will help you feel confident and empowered when managing tricky parenting situations, ensuring you're doing the best for both your child and yourself. Sessions cover: family resilience and self-esteem, strategies for positive behaviour, and practical tips on emotional regulation, and implementing effective routines.

Places are limited - Call 01235 216278 or visit www.abingdon-witney.ac.uk and search *Family Learning* to enrol today.
